Adult Community Center

Help VINE by participating in our brick project and make a lasting imprint in our community!

Personalized bricks are a great way to:

- honor a family member or friend,
- provide recognition for volunteer service for a group or individual,
- pay tribute to a loved one and
- give a gift in recognition of a special event or person.

Bricks will be positioned in a place of prominence to be seen by all who visit the VINE Adult Community Center.
