

VINE's REMEMBERED FOREVER FUND

Keep Your Loved One's Memory Alive

A memorial fund honors your loved one in a meaningful and impactful way. VINE's Remembered Forever Fund is a great way to honor the spirit and character of a loved one, while improving the lives of others.

What is VINE?

VINE provides older adults with wraparound services geared towards keeping people healthy and able to comfortably live in their own home for as long as it is safe to do so. These services include chores, transportation, meals on wheels, adult day respite care and support groups. VINE's staff and volunteers work tirelessly to extend the length of community living for adults at risk for nursing home placement. The VINE Adult Community Center, which opened in 2014, provides a one-stop shop for aging adults to improve their overall health with exercise, socialization, entertainment and educational opportunities.

Our Mission

VINE Faith in Action promotes quality of life and a culture of caring, sustained by volunteerism, community engagement, and support for neighbors in need.

Remembered Forever Fund

Memorials dedicated to VINE will be used to help older adults in the Greater Mankato community maintain their independence and health as they age. Memorials exceeding \$200 will receive a 4" x 8" brick with their loved one's name permanently installed in the VINE Adult Community Center. Memorials exceeding \$400 will receive an 8" x 8" personalized brick.
